**SUMMARY OF BILL:** Increases, from 18 to 21, the minimum age for a driver's license or instructional permit for a person who fails to present proof that the person is enrolled in a secondary school, has a GED, or is making satisfactory progress toward a GED.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – \$3,600/One-Time**

- The Department of Safety would require one-time computer programming changes by one outside contractor for 48 hours at a cost of \$75 per hour for a total cost of \$3,600 (48 hours x \$75).
